LOS ANGELES - An illuminating glove worn by Michael Jackson during the 1984 Victory Tour has brought in \$70,800 at an auction of entertainment memorabilia.

A bidder paid \$106,200 for a Martin D-28 guitar played by Elvis Presley during his final Las Vegas performance.

They were among dozens of items from Hollywood and the music industry sold at an auction in Los Angeles by Profiles in History. The auction house says it sold about \$5 million in memorabilia Thursday and Friday.

A bullwhip swung by Harrison Ford in "Indiana Jones and the Last Crusade" went for \$56,050 and full-scale Velociraptor model from "Jurassic Park" brought in \$76,700.
