## **Earhart goggles fetch \$141,600 at auction**

The Associated Press

LOS ANGELES | A pair of Amelia Earhart's goggles have fetched \$141,600 at an auction of entertainment memorabilia.

The Kansas-born aviatrix wore the goggles on her historic 1932 solo trans-Atlantic flight.

They were the top money-getter among dozens of items sold at an auction in Los Angeles by Profiles in History. The auction house says it sold about \$5 million in memorabilia Thursday and Friday.

An illuminating glove worn by Michael Jackson during the 1984 Victory Tour brought in \$70,800, while a bullwhip swung by Harrison Ford in "Indiana Jones and the Last Crusade" went for \$56,050.
